EDISON ELECTRIC INSTITUTE

INDEX TO 1950 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 18

Issue	Pages
January	1- 32
February	33- 64
March	65-104
April	105-152
May	153-184
June	185-216
July	217-2[illegible]
August	293-32[illegible]
September	325-36[illegible]
October	361-39[illegible]
November	393-42[illegible]
December	425-45[illegible]

General Index

A

Accident Prevention
- Consolidated Edison Co. of N. Y. Inc. Employees Receive Meritorious Service Certificates for Courageous Acts, 436
- Ebasco Seminar Spotlights Safety Training and Techniques, 132
- Four More Safety Posters Published by EEI, 101
- Problems of Safety Relating to Operation and Maintenance of Electrical Equipment in Stations and Substations—Nelson E. Brown, 19
- Safety "Comics" Published by Ebasco, 84
- Safety Considerations in the Design and Operation of Transmission and Distribution Systems—W. T. Rogers, 81
- Safety Through Training—G. S. Van Antwerp, 303
- Sixteen EEI Resuscitation Medals Awarded in 1949 to Electric Light and Power Company Employees—Mae B. Woods, 53
- Why Accidents Don't Happen—C. B. Boulet, 433

Accident Prevention Committee
- Chicago Meeting, 181
- Cleveland Meeting, 388
- Houston Meeting, 97

Accounting
- Collections—Tailored to Your Measure—L. R. Quad, 175
- Collective Bargaining in a Competitive Economy—E. Wight Bakke, 167
- Credit and Collection Experience of U. S. Electric & Gas Industries, 136, 382
- Deductibility of Depreciation Reserves for Rate Base Purposes—Ralph M. Besse, 159
- Depreciation Accounting Practices of Individual Companies—W. J. Foster, Jr., 171
- "Internal Auditing in Industry," 251
- Joint Accounting Conference at Louisville Tops All Records for Attendance, 153
- National Accounting Conference Promises Lively Sessions, More Discussion, 41
- Program of Joint AGA-EEI Subcommittee on Capitalization of Overheads—E. Toder, 179
- Rodey to Conduct Advanced Course in Public Utility Accounting at NYU, 331
- Significance of Accounting Results for Rate Regulation—J. Rhoads Foster, 299
- Some Current Collection Practices and Their Effect on Customer Relations—H. S. Hahn and F. J. Flom, 201
- Training Employees to Meet the Customer—C. J. Berner, 190
- Wisconsin Utilities Association Holds Accounting Section Convention, September 21-22, 391

Advertising
- Advertisers Set City and Date for Annual Convention, 104
- Consumers Power Company Promotes Industry for Outstate Michigan in National Ad Campaign, 25
- New England Companies Sponsor Well-Attended Electric Show at Eastern States Exposition, 374
- PUAA Convention Elects New Officers, Makes 162 Awards in Better Copy Contest, 200
- Public Utility Advertising Pays Off—H. Obermeyer, 75

Aerial Surveying for Transmission Line Construction—J. S. Maloy, 87

Aggressive Selling of Electric Service and Our Way of Life Urged at Sales Conference, 111

Alabama Power Company's 125,000th Rural Customer Holds "Open House" Celebration, 447

American Way
- Historical Background of the American Way of Life—Prof. Clifton Ganus, 37
- Is This Thing Worth Saving?—Prof. James E. McCarthy, 237
- Profits That Can't Be Measured—Walter Geist, 285
- Salesmen, the Backbone of Our Free Enterprise System—A. E. Holloway, 69
- Salesmen Wanted—Elmer L. Lindseth, 115
- Who Is Getting Hurt?—W. C. Mullendore, 241

Analysis of the Effect of the Life of Hardware Items of Overhead Pole Line Structures on Overall Annual Costs—E. W. Oesterreich, 307

Appliances, Electrical
- Complete Electric House Heating—Fred A. Compton, 163
- Effect of Merchandising Programs on the Load Curve—Fred A. Compton, 262
- How Television Receiver Load Affects the Electric Power Company—W. L. Lawrence, 91
- Power Requirements of Television Broadcasting as They Affect Electric Power Companies—Rodney Chipp, 95
- What Is Needed in Selling Appliances?—James J. Nance, 130

Application of Ultrasonic Energy—R. O. Fehr, 375

Average Price of Electric Company Power Sold to REA Co-Ops Is 37 Per Cent Under Generating Co-Op Charge, 23

Awards
- Consolidated Edison Co. of N. Y. Inc. Employees Receive Meritorious Service Certificates for Courageous Acts, 436
- Dow (Alex) Awards Honor Three Detroit Edison Employees, 135
- EEI Prize Awards for 1950, 417
- EEI Prize Contests Offers 31 Prizes for Industry Achivement in 1950, 383
- Five EEI Awards for Commercial and Rural Electrification Activities Offered for Achievements in 1950, 298
- Planned Lighting Award Winners for 1949 Who Received Prizes at Sales Conference, 113
- Presentation of Laura McCall and George A. Hughes Awards at EEI Sales Conference, 112
- Report of the Prize Awards Committee—George E. Whitwell, 277
- Sixteen EEI Resuscitation Medals Awarded in 1949 to Electric Light & Power Company Employees—Mae B. Woods, 53
- Washington Water Power Company Wins Charles A. Coffin Award, 276
- Watts (Frank) Awards Offer Prizes for Farm Electrification Promotion, 51

B

Balancing Our Sales Job—The Role of Women in Our Industry—O. R. Doerr, 133

Basic Principles Put Forth at 1900 Convention, 68

Better Light-Better Sight Bureau Offers New Lighting Educational Program—"Living with Light," 446

Building Farm Electric Load—Grover C. Neff, 121

C

Canada
- Canadian Electrical Association Announces Lighting Data Sheet Contest Rules, 166
- Public Utility Financing in Canada—Alan Gordon, 47

Canadian Electrical Association Announces Lighting Data Sheet Contest Rules, 166

Carefree Cooking Booklet Published by EEI, 166

Charter Granted to Pittsburgh Chapter of Electrical Women's Round Table, 14

CIGRE Conference to Be Held in Paris, June 29-July 8, 1950, 94

Coffin Award
- Union Electric Employees Receive Trophies of Coffin Medal Award, 26
- Washington Water Power Company Wins Charles A. Coffin Award, 276

Coal
- Which Road Will Coal Take?—George H. Love, 281

Collection Practices
- Collections—Tailored to Your Measure—L. R. Quad, 175

Credit and Collection Experience of U. S. Gas and Electric Industries, 136, 382
Some Current Collection Practices and Their Effect on Customer Relations—H. S. Hahn and F. J. Flom, 201
Collections—Tailored to Your Measure—L. R. Quad, 175
Collective Bargaining in a Competitive Economy—E. Wight Bakke, 167
Commercial Activities
Aggressive Selling of Electric Service and Our Way of Life Urged at Sales Conference, 111
"Carefree Cooking" Booklet Published by EEI, 166
Degree of Standardization of Electric Water Heating Practices—1950 Compared with 1948, 337
EEI Commercial News Briefs—Harry Restofski, 52
EEI Sales Conference Will Offer Unusually Comprehensive Program, 43
Five EEI Awards for Commercial and Rural Electrification Activities Offered for Achievements in 1950, 298
"Range of the Stars" Promotion Program Sponsored by EEI Features Eight Hollywood Stars, 449
Report on Industrial Sales Activities—Robert G. Ely, 137
Community Development
Community Service in West Virginia—A. C. Spurr, 3
Connecticut Light and Power Inaugurates Community Development Plan, 296
Electric Company's Larger Responsibility—Howard J. Cadwell, 293
Electric Company's Rural Development Program—L. L. Koontz, 6
New Targets—A. G. Mayer, 317
Relation Between Hydroelectric Power and Manufacturing in New England—S. R. Knapp, 71
Community Service in West Virginia—A. C. Spurr, 3
Complete Electric House Heating—Fred A. Compton, 163
Connecticut Light and Power Inaugurates Community Development Plan, 296
Consolidated Edison Co. of N. Y. Develops "Continuous Training" in Two-Fold Employee Training Program, 354
Consolidated Edison Co. of N. Y. Inc. Employees Receive Meritorious Service Certificates for Courageous Acts, 436
Consolidated of Baltimore Reviews Steps Taken in Year-Old Public Information Program, 85
Consumers Power Company Promotes Industry for Outstate Michigan in National Ad Campaign, 25
Conventions and Meetings
Accident Prevention Committee Meetings, 97, 181, 388
Advertisers Set City and Date for Annual Convention, 104
Aggressive Selling of Electric Service and Our Way of Life Urged at Sales Conference, 111
CIGRE Conference to Be Held in Paris, June 29-July 8, 1950, 94
Current Problems and Answers to Be Shared at Fourth Industrial Relations Conference—S. F. Leahy, 332
Dangers of "Welfare State" Emphasized at Pennsylvania Electric Association Conference, 378
Ebasco Seminar Spotlights Safety Training and Techniques, 132
EEI Sales Conference Will Offer Unusually Comprehensive Program, 43
Electrical Equipment Committee Meetings, 98, 212, 389
Fourth National Farm Electrification Conference Held at Chicago, Dec. 20-22, 21
Joint Accounting Conference at Louisville Tops All Records for Attendance, 153
National Accounting Conference Promises Lively Sessions, More Discussion, 41
New England Companies Sponsor Well-Attended Electric Show at Eastern States Exposition, 374
Notes on the Coming EEI Convention, 65
PUAA Convention Elects New Officers, Makes 162 Awards in Better Copy Contest, 200
Transmission & Distribution Committee Meetings, 99, 212, 420
12th Annual Ebasco Safety Meeting Notes Growing Industry Interest in Safety, 455
Wisconsin Utilities Association Gas & Electric Convention Draws Enthusiastic Response from Delegates, 432
Wisconsin Utilities Association Holds Accounting Section Convention, Sept. 21-22, 391
Young Men of Indiana Utilities Study Industry Public Relations at Record Conference, 158
Cost of Electricity Represents 1 Per Cent of Family Budget, 355
Cost of Living
Housewife's Pre-War II Dollar Will Buy Only 58 Cents Worth at the Store, but It Will Bring 110 Cents Worth of Electricity, 364
Credit and Collection Experience of U. S. Gas and Electric Industries, 136, 382
Current Problems and Answers to Be Shared at Fourth Industrial Relations Conference—S. F. Leahy, 332
Customer Relations
Balancing Our Sales Job—The Role of Women in Our Industry—O. R. Doerr, 133
Building Farm Electric Load—Grover C. Neff, 121
Collections—Tailored to Your Measure—L. R. Quad, 175
Consolidated of Baltimore Reviews Steps Taken in Year-Old Public Information Program, 85
Credit and Collection Experience of U. S. Gas and Electric Industries, 136, 382
Customer, the Investor and You—Charles E. Oakes, 252
Markets Are Minds for Industrial Power Salesmen—Glenn S. Young, 79
New Bill Stuffer Analyzes Appliance Operating "Wages and Hours" for Customers of California-Pacific Utilities Company, 24
Public Utility Advertising Pays Off—H. Obermeyer, 75
Sales Job Ahead—G. W. Evans, 273
San Diego Gas and Electric Lamp Bulb Contest Offers Youngsters Opportunity to Experience Free Enterprise System, 26
Some Current Collection Practices and Their Effect on Customer Relations—H. S. Hahn and F. J. Flom, 201
Training Employees to Meet the Customer—C. J. Berner, 190
Customer, the Investor and You—Charles E. Oakes, 252

D

Dangers of "Welfare State" Emphasized at Pennsylvania Electric Association Conference, 378
Deductibility of Depreciation Reserves for Rate Base Purposes—Ralph M. Besse, 159
Degree of Standardization of Electric Water Heating Practices—1950 Compared with 1948, 337
Depreciation
Deductibility of Depreciation Reserves for Rate Base Purposes Ralph M. Besse, 159
Depreciation Accounting Practices of Individual Companies—W. J. Foster, Jr., 171
Depreciation Accounting Practices of Individual Companies—W. J. Foster, Jr., 171
Determining When to Buy—J. D. Hogg, 205
Detroit Edison Employees Prove Success of Industry Information Pamphlet Rack, 170
Detroit Edison Opens Drive-In Office for Customers, 10
Dow (Alex) Awards Honor Three Detroit Edison Employees, 135

E

Ebasco Seminar Spotlights Safety Training and Techniques, 132
EEI Accounting and Commercial Division Committees Plan Activities in Anticipation of Future Developments, 393
EEI Commercial News Briefs—Harry Restofski, 52
EEI Committees—Also see conventions and meetings
Aggressive Selling of Electric Service and Our Way of Life Urged at Sales Conference, 111
EEI Accounting and Commercial Division Committees Plan Activities in Anticipation of Future Developments, 393
EEI Commercial News Briefs—Harry Restofski, 52
EEI Committees Forge Ahead on 1950-51 Activities, 365
EEI Sales Conference Will Offer Unusually Comprehensive Program, 43
Fifth National Farm Electrification Conference Finds Wide Field for Continued Development of Electricity in Agriculture, 418
Fourth National Farm Electrification Conference Held at Chicago, December 20-22, 21
Joint Accounting Conference at Louisville Tops All Records for Attendance, 153
National Accounting Conference Promises Lively Sessions, More Discussion, 41
Personnel of Additional EEI General Committees, 1950-51, 373
Personnel of EEI Committees for 1950-51, 340
Report of Prize Awards Committee—George E. Whitwell, 277
Residential Heat Pump Water Heater Operation, 379
EEI Committees Forge Ahead on 1950-51 Activities, 365
EEI Convention
Basic Principles Put Forth at 1900 Convention, 68
Mid-Century Convention Largest in EEI History, 217
Notes on Coming EEI Convention, 65
Plans and Problems of the Industry at Turn of the Century, 67
Program of Important Events at Atlantic City When the 18th Annual Convention Meets, 105
EEI Prize Contests Offer 31 Prizes for Industry Achievements in 1950, 383
EEI Publications
"Carefree Cooking" Booklet Published by EEI, 166
Detroit Edison Employees Prove Success of Industry Information Pamphlet Rack, 170
"Do You Know About These EEI Publications?," 48

EEI Announces New Edition of Electrical Metermen's Handbook, 306
EEI Report Published on "Farm Electrification Research and Special Studies," 14
Electric Industry Progress, Preparedness, Covered in New Edition of EEI's Booklet, "I Want to Know About the Electric Industry," 453
Electrical Metermen's Handbook, 33
Exhibit of Meter Reading Sheets and Bill Forms Made Available by EEI, 373
Farm Electrification Speaker's Slide Kit Made Available by EEI, 387
Four More Safety Posters Published by EEI, 101
"I Want to Know More About the Electric Industry," 26
New Planned Office Lighting Program Released, 338
Recent EEI Publications, 25, 386, 453
EEI Publications and Service Material, 27, 451
EEI Report Published on "Farm Electrification Research and Special Studies," 14
EEI Sales Conference Will Offer Unusually Comprehensive Program, 43
Edison Medal
Sixteen EEI Resuscitation Medals Awarded in 1949 to Electric Light and Power Company Employees—Mae B. Woods, 53
Edison, Thomas A
Edison (Thomas A.) "A Man of the Half-Century," 17
Edison (Thomas) Memorial Mural Presented to State by Ohio Electric Companies, 186
Point Your Own Moral, 84
Effect of Merchandising Programs on the Load Curve—Fred A. Compton, 262
Electric Appliances—See Appliances
Electric Company's Larger Responsibility—Howard J. Cadwell, 293
Electric Company's Rural Development Program—L. L. Koontz, 6
Electric Heating—See Heating
Electric Industry
Cost of Electricity Represents 1 Per Cent of Family Budget, 355
Electric Company's Larger Responsibility—Howard J. Cadwell, 293
Electric Industry in 1950—L. V. Sutton, 425
Electric Industry Ready for Defense Emergency, 328
Electric Power Situation in the U. S. A.—L. V. Sutton, 361
Electric Utility of Tomorrow—Curtis E. Calder, 225
How Television Receiver Load Affects Electric Power Company—W. L. Lawrence, 91
Incentives for Government Power—J. D. James, 45
Industry's New Challenge: Developing Tomorrow's Leadership—Ralph J. Cordiner, 233
Mid-Century Convention Largest in EEI History, 217
More Power for America—Charles E. Wilson, 429
Pioneer Work in Minnesota and South Dakota Rural Electric Projects—E. A. Stewart, 127
Plans and Problems of the Industry at Turn of the Century, 67
Power Requirements of Television Broadcasting as They Affect Electric Power Companies—Rodney Chipp, 95
President's Address—Elmer L. Lindseth, 221
Principles for Sound Water Resources Development, 254-255
Public Utility Financing in Canada—Alan Gordon, 47
Relation Between Hydroelectric Power and Manufacturing in New England—S. R. Knapp, 71
Salesmen Wanted—Elmer L. Lindseth, 115
Seventh Semi-Annual Electric Power Survey Estimates Attainment of 15 Per Cent Reserve Margin for 1950—One Year Ahead of Schedule, 185
Status of Rural Electrification Today—Grover C. Neff, 1
Twenty-five Years of Farm Electrification in Retrospect—John W. Coverdale, 15
What Britons Discovered About the Electricity Industry in the U. S. A.—Cyril Dunn, 428
Who Is Getting Hurt?—W. C. Mullendore, 241
Electric Industry in 1950—L. V. Sutton, 425
Electric Industry Progress, Preparedness, Covered in New Edition of EEI's Booklet, "I Want to Know About the Electric Industry," 453
Electric Industry Ready for Defense Emergency, 328
Electric Industry's Responsibility to a Free People—P. H. Powers, 403
Electric Power Situation in the U. S. A.—L. V. Sutton, 361
Electric Power Survey
Electric Power Situation in the U. S. A.—L. V. Sutton, 361
Seventh Semi-Annual Electric Power Survey Estimates Attainment of 15 Per Cent Reserve Margin for 1950—One Year Ahead of Schedule, 185
Status of Production of Heavy Electric Power Equipment as of October 1, 1950—Walker L. Cisler, 364
Electric Utility of Tomorrow—Curtis E. Calder, 225
Electric Water Heating
Degree of Standardization of Electric Water Heating Practices—1950 Compared with 1948, 337
Electrical Equipment
Flux or Ring Testing of A-C Synchronous Machine Armatures—Harris Barber, 90
Lighting of Sunbury Steam Electric Station—W. B. Morton, 144
New Combined Boiler Turbine Generator Control Board for Centralized Control of Steam Electric Stations—H. L. Lowe, 209
Problems of Safety Relating to Operation and Maintenance of Electrical Equipment in Stations and Substations—Nelson E. Brown, 19
Status of Production of Heavy Electric Power Equipment as of October 1, 1950—Walker L. Cisler, 364
Electrical Equipment Committee
Chicago Meeting, 212
Cincinnati Meeting, 98
Old Point Comfort Meeting, 389
Electrical Metermen's Handbook, 33
Electricity in American Agricultural Progress—Herbert W. Voorhees, 288
Employee Relations
Balancing Our Sales Job—The Role of Women in Our Industry—O. E. Doerr, 133
Charter Granted to Pittsburgh Chapter of Electrical Women's Round Table, 14
Consolidated Edison Co. of N. Y. Inc. Develops "Continuous Training" in Two-Fold Employee Training Program, 354
Consolidated Edison Co. of N. Y. Inc. Employees Receive Meritorious Service Certificates for Courageous Acts, 436
Consolidated of Baltimore Reviews Steps Taken in Year-Old Public Information Program, 85
Customer, the Investor and You—Charles E. Oakes, 252
Detroit Edison Employees Prove Success of Industry Information Pamphlet Rack, 170
How Did We Do in 1949?, 93
Human Factor in Business—Dr. Adam S. Bennion, 11
Industry's New Challenge: Developing Tomorrow's Leadership—Ralph J. Cordiner, 233
Making Our Own Tomorrow—George S. Arnold, 187
Oklahoma Gas & Electric Company's Program for Keeping Supervisors and Employees Informed—Wm. R. Wolfe, 297
Profits That Can't Be Measured—Walter Geist, 285
Training Employees to Meet the Customer—C. J. Berner, 190
Union Electric Employees Receive Trophies of Coffin Medal Award, 26
Why Accidents Don't Happen—C. B. Boulet, 433
Your Employees Want to Help You—W. E. Wood, 260
Employee Training
Consolidated Edison Co. of N. Y. Develops "Continuous Training" in Two-fold Employee Training Program, 354
Industrial Power Sales Training and Supervision—C. T. Shoch, 193
Industry's New Challenge: Developing Tomorrow's Leadership—Ralph J. Cordiner, 233
Safety Through Training—G. S. Van Antwerp, 303
Training Employees to Meet the Customer—C. J. Berner, 190
England
Socialism Is Like Polio—Dr. Christopher Daniels, 325
What Britons Discovered About the Electricity Industry in the U. S. A.—Cyril Dunn, 428
Exhibit of Meter Reading Sheets and Bill Forms Made Available by EEI, 373

F

Farm Electrification
Alabama Power Company's 125,000th Rural Customer Holds "Open House" Celebration, 447
Building Farm Electric Load—Grover C. Neff, 121
Community Service in West Virginia—A. C. Spurr, 3
EEI Report Published on "Farm Electrification Research and Special Studies," 14
Electric Company's Rural Development Program—L. L. Koontz, 6
Electricity in American Agricultural Progress—Herbert W. Voorhees, 288
Farm Electrification Speaker's Slide Kit Made Available by EEI, 387
Fifth National Farm Electrification Conference Finds Wide Field for Continued Development of Electricity in Agriculture, 418
Fourth National Farm Electrification Conference Held at Chicago, Dec. 20-22, 21
New Targets—A. G. Mayer, 317
Pioneer Work in Minnesota and South Dakota Rural Electric Projects—E. A. Stewart, 127
Status of Rural Electrification Today—Grover C. Neff, 1
Twenty-five Years of Farm Electrification in Retrospect—John W. Coverdale, 15

Watts (Frank) Awards Offer Prizes for Farm Electrification Promotion, 51
What Farmers' Problems Are Still Unsolved?—Orval C. French, 443
Farm Electrification Speaker's Slide Kit Made Available by EEI, 387
Federal Power Policy Invades Local Regulation—Wm. A. Bryans, III, 409
Fifth National Farm Electrification Conference Finds Wide Field for Continued Development of Electricity in Agriculture, 418
Financing
Customer, the Investor and You—Charles E. Oakes, 252
Deductibility of Depreciation Reserves for Rate Base Purposes—Ralph M. Besse, 159
How Did We Do in 1949?, 93
Program of Joint AGA-EEI Subcommittee on Capitalization of Overheads—E. Toder, 179
Public Utility Financing in Canada—Alan Gordon, 47
Sales Job Ahead—G. W. Evans, 273
Simplified Financial Reports to SEC May Save $500,000 Annually, 74
Your Employees Want to Help You—W. E. Wood, 260
Five EEI Awards for Commercial and Rural Electrification Activities Offered for Achievements in 1950, 298
Flux or Ring Testing of A-C Synchronous Machine Armatures—Harris Barber, 90
Four More Safety Posters Published by EEI, 101
Fourth National Farm Electrification Conference Held at Chicago, Dec. 20-22, 21
Free Enterprise
Average Price of Electric Company Power Sold to REA Co-Ops Is 37 Per Cent Under Generating Co-Op Charge, 23
Dangers of "Welfare State" Emphasized at Penn Electric Association Conference, 378
Electric Industry's Responsibility to a Free People—P. H. Powers, 403
